

Dollar Based Currency Pairs Swiss Franc/US Dollar

Contract Specifications

ICE Futures U.S. offers futures contracts on key currency pairs traded in the interbank currency market. These contracts are traded on ICE's electronic trading platform, which offers industry-leading speed and reliability, regulated by the CFTC, the US federal regulatory agency, and are cleared and guaranteed by ICE Clearing US, the central counterparty for all ICE cleared forex futures trades. Market participants are eligible to transact with any other market participants. ICE forex futures offer trading and hedging opportunities to take advantage of or protect against market moves.
