# Contract Specifications

Deliverable Instruments	Maryland Tier 1 RECs eligible for delivery are those which are eligible to meet the Tier 1 renewable energy requirement (as defined in the Maryland Renewable Energy Portfolio Standard promulgated under 7-701 of the Public Utilities Article of the Annotated Code of Maryland and issued by PJM GATS having a vintage year designation that corresponds to the specified vintage of the expiring contract.) Parties seeking to deliver RECs from black liquor or products derived from black liquor must provide to the buyer in such form as determined by the Exchange: (1) a copy of the pre-June 1, 2021 commercial contact under which such RECs were, created, bought or sold to facilitate retirement of such RECs as Maryland Tier 1 RECs; and (2) an <a href="#">attestation, agreement and warranty</a> . Parties seeking to deliver RECs from waste-to-energy or refuse-derived fuels must provide to the buyer in such form as determined by the Exchange: (1) a copy of the pre-June 1, 2025 commercial contact under which such RECs were, created, bought or sold to facilitate retirement of such RECs as Maryland Tier 1 RECs; and (2) an <a href="#">attestation, agreement and warranty</a> .
Registry	PJM GATS
