Contract Specifications

In respect of final settlement, the Floating Price will be a price in USD and cents per barrel based on the average of the quotations appearing in the "Argus Crude" report under the heading "US Gulf Coast and Midcontinent", subheading "Louisiana" and "Diff weighted average" for "HLS" for each business day (as specified below) in the determination period.

The average of the HLS (1st month) differential weighted average (Diff weighted average) price taken from Argus Media, is based upon the weighted average floating price of HLS minus the "WTI Formula Basis" price from Argus Media, for the Trade month period beginning with the first business day after the 25th calendar day two months prior to the contract month through the last business day that falls on or before the 25th calendar day of the month prior to the contract month. If the 25th calendar day is a weekend or holiday, the Trade month period shall end on the first business day prior to the 25th calendar day.
