

# ICE Mini Single Stock options for U.K. & European markets

ICE Mini Single Stock Options (mini SSOs) deliver precision and flexibility for U.K. and European equity markets.

Designed for cost efficiency and tactical risk management, these mini-sized contracts let investors trade high-priced shares with lower notional exposure, reducing capital requirements without sacrificing transparency or liquidity.

ICE now offers the broadest suite of mini SSOs universe in Europe.

ICE Mini Single Stock Options cover companies selected based on high market capitalization, strong liquidity in both cash and derivatives markets, and representation of the most relevant sectors.

Unlock high-priced stocks without high capital drag: trade smarter with ICE minis.

## Product features

### Extensive range

- 22 U.K. Mini Single Stock options, carefully selected to reflect the most actively traded and widely viewed names listed on the London Stock Exchange
- 11 European Mini Single Stock options chosen for their market significance, sector classification and strong investor demand

## Key benefits

- Lower notional exposure – gain exposure to the leading U.K. and EU stocks with smaller contract sizes (~ £3,000 / EUR 3,000)
- Same reliability – ICE is the home market of U.K. derivatives
- Same transparency – intraday price picture supported by Liquidity Providers between 8 a.m. and 5:30 p.m. U.K.
- Enhanced flexibility – fine-tune hedges and express views with precision

The companies chosen for ICE Mini Single Stock options represent a strategic mix of high market capitalization, liquidity and derivatives trading activity.
