PHYSICAL GAS TRADERS

ICE NGX ANNOUNCES THE ADDITION OF PHYSICAL CLEARING AT FGT-Z3 AND NGPL-NIPSCO

Effective for the trade date of July 16, 2018 FGT-Z3 and NGPL-Nipsco will be ICE NGX clearable points for the full “NG Firm Phys” product suite offered by ICE.

Please check to make sure you have clearing activated in the portfolio where you currently reference these points in ICE: right click on the portfolio, left click 'Select Clearing Accounts', and choose 'All NGX' in the clearing account editor. By activating clearing you will be provided access to the broadest group of counterparties, facilitating increased liquidity. Please note that market close times for the 'Next Day Gas' strips will change from 1:00 pm (CST) to 12:30 pm (CST).

ICE NGX is pleased to offer these point additions and continues to expand the product list as the market dictates.
