ICE NGX EXTENDS THIRD-PARTY BROKER PERMISSIONS TO ICE BLOCK OTC U.S. PHYSICAL NATURAL GAS

ICE NGX is pleased to advise that, beginning trade date August 2, 2019 ICE NGX Contracting Parties may permission third-party brokers to enter ICE Block OTC U.S. Physical Natural Gas ICE NGX Cleared transactions on their behalf. This additional capability is being extended in effort to increase liquidity and efficiency in trading processes.

If you wish to permission a third-party broker, please have your authorized ICE NGX Company Administrator submit a revised [ICE NGX Contracting Party Admin Form](#) to Operations-ICENGX-Clearing@TheIce.com, completing sections 1 and 4. ICE NGX will verify that the broker is currently eligible to Block Broker U.S. Physical Natural Gas deals on the ICE platform, permission them for your company, and confirm the change by email to your Administrator.

Please note that ICE NGX Marketing Team members will continue to be available to confirm and enter trades in ICE Block for trades that are brought directly to ICE NGX or via third party brokers not permissioned for ICE Block deal entry.
