PHYSICAL GAS TRADERS

NEW PHYSICAL GAS MARKET - COVE POINT

Please be advised that on Monday June 11 ICE will be launching a new physical gas market, 'Cove Point'. This new market will be tradable both bilaterally and NGX cleared, pending regulatory approval. Please note the roll time for the 'Next Day Gas' strip will be 12:30 pm CST for this new market, 30 minutes before the 1:00 pm CST roll time for bilateral-only markets.

This new market will be defined as 'Dominion Energy - Cove Point - on system delivery'.

ICE will initially list fixed price and physical basis markets. ICE will add 'ID, GDD' and 'ID, IF' products on an as-needed basis.

ICE will automatically add this new 'Cove Point' market to WebICE portfolios containing corresponding 'Transco-Z5 South' markets. ICE will also automatically remove the old 'Cove Point' markets from WebICE portfolios.
