The purpose of this Circular is to advise Members and their customers that further to [Circular 23/022](#) and [Circular 23/025](#) the Exchange has updated its Delivery Limits & Position Limits Guidance ("Guidance"). The updated Guidance includes more detailed information in relation to the Exchange's approach to position limits, and the exemption process available to Members and their customers if certain eligibility criteria are met

Members and Persons Subject to the Rules are also reminded to make sure they are familiar with relevant sections of the Exchange Rules, particularly Section J (Position Reporting, Accountability and Limits).

The updated Guidance is applicable with effect from the date of this Circular.

The Exchange would like to highlight that **the updates to the Guidance have not resulted in any change to either the Delivery Limit or the Position Limit for the ICE Murban Futures Contract.**

Please ensure that the appropriate members of staff within your organisation and customers are advised of the content of this Circular.
