Amendment to the ICE Futures Europe Regulations

Reference is made to the amendments to the Exchange Regulations notified in Circular 14/084 dated 18 July 2014, proposed to provide for the introduction of customer segregation requirements under the European Market Infrastructure Regulation (EMIR) applicable to ICE Clear Europe and certain other matters, subject to completion of all relevant regulatory processes.

The purpose of this Circular is to advise Members that the referenced amendments did not come into effect on 04 August 2014 as anticipated, but rather the Exchange will confirm in due course the date on which the amendments will come into effect.

Please ensure that the appropriate staff within your organization are made aware of the contents of this Circular.

Signed:

Patrick Davis
Company Secretary
