A.2 SPIRIT OF THE RULES¹⁵

- A.2.1 The Articles and the Regulations shall at all times be observed, interpreted and given effect in the manner most conducive to the promotion and maintenance of:-
- (a) recognition of the Exchange as a recognised investment exchange under the Financial Services and Markets Act 2000 and the good reputation of the Exchange (and Members);
 - (b) an orderly market, free of undesirable situations or practices;
 - (c) high standards of integrity and fair dealing in accordance with the Principles for Businesses issued by the FCA or any successor thereto; and,
 - (d) proper protection for all persons interested in the performance of transactions entered into under the auspices of the Exchange.
- A.2.2 Each of the Regulations shall, unless the context otherwise requires, be construed as an independent provision and shall be in addition and without prejudice to any other provision of the Regulations.
- A.2.3 Where there is a provision that the Directors (or a committee appointed for the purpose) may make further directions upon or in relation to the operation of a Rule (or may make or authorise any arrangement, direction or procedure thereunder) then the Directors or such committee may make such direction or make or authorise such arrangement or procedure in relation to or under the whole or any part of the Rule and may make or authorise different directions, arrangements or procedures in relation to different categories of Member, or as between Members and traders and others and may make or authorise such directions, arrangements or procedures generally or in relation to a particular Member or particular occasion and in all cases subject to such conditions as they may think fit.
- A.2.4 Where there is a provision to the effect that an action may be taken or power exercised by the Directors or a committee appointed by them for this purpose, the appointment by the Directors of, and any action taken or power exercised by, such committee shall be without prejudice to the right of the Directors themselves to exercise such powers and take such steps (or not as the case may be) as they may think fit upon that or any other occasion.
- A.2.5 Where there is no express provision made in the Regulations, the Directors (or any committee with appropriate powers) may from time to time implement such procedures as they think fit in relation to any aspect of the management of the Exchange and the conduct of business on the Exchange.
- A.2.6 The Directors, the Authorisation, Rules and Conduct Committee or the Compliance Officer may agree with a Member or a concerned person to waive or vary particular requirements of these Regulations in such circumstances and subject to such conditions as the Exchange thinks fit providing that the Directors, the Committee or the Compliance Officer are satisfied that compliance with the relevant requirements would be unduly burdensome to the Member or person concerned or that compliance with the relevant requirement would not be in the interests of the Exchange, and waiver or variation of the requirements does not disadvantage other Members or create unacceptable risks for the Exchange. Waivers or variations of requirements may be publicised at the discretion of the Exchange.
- A.2.7 The Regulations shall, unless the context otherwise requires, be construed in such a way as to impose responsibility on Members for all acts, omissions, conduct or behaviour of the Member's Representatives in accordance with Rule A.9.

¹⁵ Amended 28 April 1999, 1 February 2001, IPE/ETS Implementation date 2002, 27 April 2006, Launch of ICE Clear 2008, 3 September 2014, 3 January 2018

[A.2.8](#) Where a provision in the Regulations purports to apply only to a particular category of Members or persons, a failure by a Member or person falling outside that category to comply with the requirements of such provision may nevertheless be considered a breach of other general requirements imposed on that Member or person under the Regulations.

[A.2.8](#) [A.2.9](#) The delivery by hand, electronic transmission, facsimile or telephone of any notice, order or other communication to a Person Subject to the Regulations at the email address, facsimile number or telephone number last designated by it to the Exchange or its registered address shall be good and sufficient delivery thereof to such Person Subject to the Regulations (unless another method of delivery is specified in the Regulations). The publication of a Circular shall amount to good and sufficient delivery of the contents of the Circular to all Members and any other Persons Subject to the Regulations.

A.3 RELATIONS WITH OTHER REGULATORY AUTHORITIES¹⁶

A.3.1 With a view to maintaining recognition as an investment exchange under the Financial Services and Markets Act 2000 or complying with any other applicable law, the Exchange may:-

- (a) make arrangements with any person for monitoring compliance with and investigating alleged breaches of the Regulations (and arrangements, procedures and directions made, authorised or given thereunder); and
- (b) co-operate generally with any other person, agency or authority having responsibility for the regulation of investment, trading venues or any other financial business or the enforcement of law and take any action required by such person, agency or authority.

Without prejudice to the generality of the foregoing:-

- (i) this may include making arrangements for the sharing of information in accordance with Rule A.4.3; and
 - (ii) the Exchange may, where appropriate, at any time refer a complaint or any other matter coming to its attention to one or more investment exchanges, clearing houses or other regulatory bodies, agencies or persons for its or their comment or investigation and may, pending the result of such reference, either suspend or continue with (in whole or in part) its own investigations, proceedings or other actions.
- A.3.2 (a) The Directors may at any time make additional Regulations, or amend or revoke the Regulations or part of them, to the extent they consider necessary or desirable for the continued recognition of the Exchange as an investment exchange under the Financial Services and Markets Act 2000. Any Rule so made, and any such amendment or revocation, shall be announced by circular to Members and shall take effect at such time and in such manner as the Directors may determine.
- (b) In a case considered by the Chairman to be one of urgency, the Directors' powers and authority under this Rule may be exercised by a committee consisting of the Chairman and the Chief Executive provided that such committee shall report the circumstances, and particulars of the Rules so made, amended or revoked, as soon as possible to the Directors.

A.4 CONFIDENTIALITY¹⁷

A.4.1 The Exchange shall be entitled to keep records in an electronic or durable medium of all data or information available to it under these Rules or otherwise concerning Members (including financial statements filed with the Exchange), Matched Transactions, Contracts, positions, accounts, customers and clients, deliveries and settlement and all other information concerning a Member's affairs (including information concerning its clients and Member's Representatives) acquired by the Exchange in the course of its operations or investigations, including information provided by a Member to the Exchange at the Exchange's request, or pursuant to the Rules or applicable laws.

A.4.2 All information received or held by the Exchange pursuant to Rule A.4.1 above shall be held in confidence by the Exchange and shall not be made known to any other Person, subject to Rule A.4.3.

A.4.3 Members and clients are given notice that the Exchange is subject to section 348 (Restrictions on disclosure of confidential information by the FCA / PRA etc.) and regulations made under section 349 (Exemptions from section 348) of the Financial Services and Markets Act 2000 (FSMA). Subject, at all times, to such

A.6.2 [Deleted 3 April 2000]

A.7 EXCLUSION OF LIABILITY²⁰

A.7.1 The Exchange wishes to draw to the attention of Members and clients that business on the Market or through any other facility provided by the Exchange may from time to time be suspended or restricted or such facilities (including, without limit, the Market) may from time to time be closed for a temporary or longer period. Without limit, this may occur as a result of the occurrence of one or more events which require action to be taken by the Exchange under the Regulations in the interests of, inter alia, maintaining a fair and orderly market. Any such action may result in the inability of one or more Members and through such Member one or more clients to enter into contracts on the Market in accordance with the Regulations. Furthermore, a Member and through the Member one or more clients may from time to time be prevented from or hindered in entering into contracts on the Market as a result of failure or malfunction of communications equipment or trading facilities including but not limited to the ICE Platform, or front end application supplied to the Member by the Exchange or any other person. Unless otherwise expressly provided in the Regulations or in any other agreement to which the Exchange is party, neither the Exchange nor its officers, employees, agents or representatives shall be liable to any Member or client for any loss, damage, injury or delay (including any indirect or consequential loss, including without limitation, any loss of profit) arising from or in connection with the trading facilities including but not limited to the ICE Platform or the occurrence of a temporary or longer suspension, restriction or closure of business on the Market or the trading facilities including but not limited to the ICE Platform or any act or omission of the Exchange, its officers, employees, agents or representatives under the Regulations or pursuant to the Exchange's obligations under statute or from any breach of contract by or any negligence howsoever arising of the Exchange, its officers, employees, agents or representatives which may prevent or hinder a Member or, through a Member, a client from entering into or closing out a Contract or otherwise affect a Member or client.

A.7.2 Rule A.7.1 shall be without prejudice to the provisions of the Electronic User Agreement regarding liability of the Exchange. Nothing in Rule A.7.1 shall operate to exclude the Exchange's liability for death or personal injury resulting from negligence or for fraud.

A.8 TRADING HOURS AND DAYS²¹

- (a) The Market shall, subject to (b) below, be open from Monday to Friday of each week between the hours each day and for such Contracts as decided by the Exchange from time to time. The trading times for each Contract, subject to the closures required below, shall be determined by the Exchange from time to time.
- (b) The Market shall be open on such Saturdays, Sundays and public holidays in England for the trading of such Contracts on those Saturdays, Sundays and public holidays as the Exchange determines from time to time. The Exchange shall issue from time to time a list of the public holidays on which the Market shall be open, the Contracts which shall be open to trade on such public holidays and the public holidays on which the Market shall not be open.
- (c) The Market shall be closed on: Saturdays; Sundays; public holidays in England, subject to (b) above; any day on which trading is suspended under the Banking and Financial Dealings Act 1971; and on a temporary basis on any other day for such hours that the Exchange shall from time to time decide is necessary or appropriate in the circumstances.

A.9 MEMBER RESPONSIBILITY²²

A.9.1 In this Rule A.9, "conduct" means any act, omission, conduct or behaviour in relation to the Regulations.

A.9.2 For the purposes of determining a Member's liability to be sanctioned for any conduct (referred to in this Rule A.9 as a "disciplinary matter"), and to the extent permitted by applicable laws, a Member shall be responsible and fully liable for:

- (a) all conduct of that Member's Representatives;

²² Inserted 27 April 2006, amended 3 September 2014, 3 January 2018, 21 October 2020

- (b) conduct by a Member's client when placing orders under the ITM of a Responsible Individual registered to that Member; and
- (c) the performance or non-performance in respect of any obligations outsourced to an affiliate or other person, notwithstanding the outsourcing or procurement arrangements that the Member may have in place with such affiliates or other parties,

as if that conduct, performance or non-performance were of the Member itself. For the avoidance of doubt, all conduct referred to in (a) to (c) shall, for the purposes of this Rule A.9, be attributed to that Member and be treated as the conduct of that Member. However, it is understood that, notwithstanding the attribution of such conduct to the Member, the identified Responsible Individual or Member's Representative responsible for such conduct might also be liable to be sanctioned for such conduct. Until a Contract is recorded in an Individually Segregated Sponsored Account, a non-Member Sponsored Principal will be deemed to be acting both for its own account and as a Member Representative.

A.9.3 Notwithstanding Rule A.9.2, no sanction may be imposed on a Member in respect of:

- (a) conduct by a trader registered to that Member;
- (b) conduct by a Member's Representative placing orders under the ITM of a Responsible Individual registered to that Member;
- (c) conduct by a Member's client placing orders under the ITM of a Responsible Individual registered to that Member, or
- (d) the performance or non-performance of its obligations which have been outsourced to an affiliate or a third party,

where it is established to the satisfaction of the ARC Disciplinary Panel or other person or body determining the disciplinary matter that the Member had taken all reasonable steps to prevent any conduct of the kind in question.

A.9.4 The provisions of this Rule A.9 shall apply:

- (a) without prejudice to the liability of any other person subject to the Regulations for the same conduct;
- (b) in the case of inconsistency with any other provision of the Regulations, in priority to that other provision;
- (c) whether or not the Member's Representative, affiliates, personnel, end client or third party carrying out any outsourced or procured functions is a person subject to the Regulations;
- (d) whether or not the Member and/or Member's Representative is/are exercising rights to use the Exchange's facilities; and
- (e) whether or not the individual Member's Representative can be conclusively identified (provided that it is established that the relevant conduct was in fact carried out by a Member's Representative, albeit an unidentified Member's Representative).

A.10 RESPONSIBLE INDIVIDUAL RESPONSIBILITY²³

A.10.1 A Responsible Individual shall be responsible for trading activity conducted under his ITM(s).

A.10.2 Where trading is also conducted, pursuant to Trading Procedure 1.2.2 by other individuals within the Member under the ITM(s) of a Responsible Individual registered to the Member, such trading shall be under the supervision of the relevant Responsible Individual.

A.10.3 Where access is granted by the Member to clients (order routing) and, pursuant to Trading Procedure 1.2.3, the client orders are submitted under an ITM assigned to a Responsible Individual, the submission shall be under the relevant Responsible Individual's supervision.

²³ Amended 21 October 2020

A.10.4 Notwithstanding Rule A.9.2 or A.10.1, no sanction shall be imposed on a Responsible Individual in respect of:

- (a) conduct of, or trading activity conducted under his ITM(s), by an individual of the Member with whom that Responsible Individual is registered;
- (b) conduct by a Member's Representative placing orders under the ITM of that Responsible Individual; and
- (c) conduct by a Member's client placing orders under the ITM of that Responsible Individual,

where it is established to the satisfaction of the ARC Disciplinary Panel or other person or body determining the disciplinary matter (as referred to in Rule A.9) that the Responsible Individual had taken all reasonable steps to prevent any conduct of the kind in question.

A.11 SYSTEMS AND CONTROLS²⁴

A.11.1 Without prejudice and in addition to any other specific requirement in these Regulations regarding systems and controls, each Member and non-Member Sponsored Principal shall be responsible for making adequate arrangements, systems and controls to ensure that:

- (a) its internal affairs are organised and controlled in a responsible and effective manner with adequate risk management systems;
- (b) its internal record-keeping is complete, adequate and consistent and compliant with applicable laws, including MiFID II (where applicable);
- (c) all of its Responsible Individuals and Member's Representatives involved in the conduct of business on the Market are fit and proper, suitable, adequately trained and properly supervised;
- (d) all business conducted on the Market including individual transactions complies with the Member's and Responsible Individual's obligations under the Regulations;
- (e) any business conducted by it, or by or through any of its Member's Representatives shall not cause the Member, any Member's Representative or the Exchange to be in breach of any applicable laws and regulations;
- (f) a Responsible Individual does not enter orders into or make trades on the ICE Platform in or from a jurisdiction where the Exchange does not have the relevant regulatory status (if such regulatory status is required) if to do so would bring the Exchange into disrepute with the regulatory authority within such jurisdiction or put the Exchange in breach of any regulatory obligations to which it might be subject within that jurisdiction;
- (g) any hardware, information technology or any online services provided to it, or any of its Member Representatives, or made available to it, or any of its Member Representatives, pursuant to its membership of the Exchange is only used for the purposes of conducting its business and activities as a Member of the Exchange in accordance with these Regulations;
- (h) it carries out appropriate testing of algorithms to ensure that Algorithmic Trading cannot create or contribute to disorderly trading conditions on the market; and
- (i) it undertakes technical and functional conformance testing, through the Exchange's conformance testing facilities, prior to the deployment or a substantial update of the access to the Exchange's system or the Member's trading system, trading algorithm or trading strategy, in order to:
 - (i) verify whether the basic functioning of the Member's trading system, algorithm and strategy complies with the conditions set by the Exchange from time to time; and
 - (ii) verify:
 - (aa) the ability of the Member's system or algorithm to interact as expected with the Exchange's matching logic and the adequate processing of the data flows to and from the Exchange;
 - (bb) the basic functionality such as the submission, modification or cancellation of an order or an indication of interest, static and market data downloads and all business data flows; and
 - (cc) the connectivity, including the cancel on demand command, market data feed loss and throttles, and the recovery of trading and the handling of suspended instruments or non-updated market data.

²⁴ Amended 4 April 2011, 3 September 2014, 3 January 2018

- A.11.2 Each Member shall certify that the algorithms they deploy have been tested to avoid contributing to or creating disorderly trading conditions prior to the deployment or substantial update of a trading algorithm or trading strategy and explain the means used for that testing. Each Member will provide the Exchange with such information and documents as are necessary for such purposes.
- A.11.3 The Exchange may set additional conditions or standards and publish guidance from time to time on what arrangements, systems and controls it considers appropriate in the context of this Rule A.11.
- A.11.4 Each Member will be subject to risk-based assessments by the Exchange, taking into account the scale and potential impact of trading undertaken by each Member as well as the time elapsed since the Member's last risk based assessment, of its compliance with the Exchange's conditions for using the ICE Platform, including those conditions set out in Rule A.11.1 and, where applicable, Rules A.11A.1 and A.11A.2. Such assessment will take place on an annual basis and at any other time as deemed necessary by the Exchange pursuant to the annual risk-based assessment.

A.11A SYSTEMS AND CONTROLS FOR MEMBERS THAT ARE INVESTMENT FIRMS ENGAGING IN ALGORITHMIC TRADING²⁵

- A.11A.1 Without prejudice and in addition to any other specific requirement in these Regulations regarding systems and controls, each Member that is an Investment Firm engaging in Algorithmic Trading shall, in compliance with MiFID II:
- (a) have in place effective systems and risk controls suitable to the business it operates to ensure that its trading systems:
 - (i) are resilient and have sufficient capacity;
 - (ii) are subject to appropriate trading thresholds and limits; and
 - (iii) prevent the sending of erroneous orders or the systems otherwise functioning in a way that may create or contribute to a disorderly market;
 - (b) have in place effective systems and risk controls to ensure the trading systems cannot be used for any purpose that is contrary to the Market Abuse Regulation or to these Regulations;
 - (c) have in place effective business continuity arrangements to deal with any failure of its trading systems; and
 - (d) ensure its systems are fully tested and properly monitored to ensure that they meet the requirements of (a) to (c) above.
- A.11A.2 For the purposes of Rule A.11A.1 above, each Member that is an Investment Firm shall, as a minimum and in compliance with MiFID II:
- (a) as part of its overall governance and decision making framework, establish and monitor its trading systems and trading algorithms through a clear and formalised governance arrangement, having regard to the nature, scale and complexity of its business;
 - (b) have sufficient knowledge and the necessary documentation to ensure compliance with Rule A.9.3 in relation to any procured or outsourced hardware or software used in Algorithmic Trading;
 - (c) in relation to an Algorithmic Trading system, trading algorithm or Algorithmic Trading strategy:
 - (i) establish clearly delineated methodologies to develop and test such systems, algorithms or strategies prior to their deployment or substantial update; and
 - (ii) with regards to trading algorithms leading to order execution, adapt its testing methodologies appropriately for usage on the Exchange and undertake further testing if there are substantial changes to the Algorithmic Trading system or to the access to the Exchange in which such systems, algorithms or strategies are to be used;
 - (d) before deployment of a trading algorithm, set predefined limits on:
 - (i) the number of financial instruments being traded;
 - (ii) the price, value and numbers of orders;
 - (iii) the strategy positions; and

²⁵ Inserted 3 January 2018

- (iv) the number of trading venues to which orders are sent;
- (e) ensure that it is able to cancel immediately, as an emergency measure, any or all of its unexecuted orders submitted to the Exchange, including those originating from individual traders, trading desks or clients (“kill functionality”); and for this purpose, the Member must be able to identify which trading algorithm and which trader, trading desk, or, where applicable, client was responsible for each order sent to the Exchange;
- (f) monitor all trading activity that takes place through its trading systems, including that of its clients, for signs of potential market manipulation as referred to in Article 12 of the Market Abuse Regulation; and for this purpose, each Member shall establish, review and maintain an automated surveillance system which effectively monitors orders and transactions, generates alerts and reports and, where appropriate, employs visualisation tools;
- (g) have business continuity arrangements in place for its Algorithmic Trading systems which are appropriate to the nature, scale and complexity of its business, which allow for the shutting down of its trading algorithm or trading system without creating disorderly trading conditions;
- (h) carry out pre-trade controls on order entry for all financial instruments:
- (i) have in place repeated automated execution throttles which control the number of times an Algorithmic Trading strategy has been applied;
- (j) automatically block or cancel orders from a trader if it becomes aware that that trader does not have permission to trade a particular financial instrument or which risk compromising the Member’s risk thresholds, including price collars, maximum order volumes and maximum message links;
- (k) during the hours it is sending orders to the Exchange, monitor in real time all Algorithmic Trading activity that takes place under its trading code, including that of its clients, for signs of disorderly trading, including trading across markets, asset classes, or products, in cases where the Member or its clients engage in such activities;
- (l) ensure that the Exchange at all times has access to staff members in charge of real-time monitoring; and for that purpose, the Member shall identify and periodically test its communication channels, including its contact procedures for out of trading hours, to ensure that in an emergency the staff members with the adequate level of authority may reach each other in time;
- (m) ensure that the systems for real-time monitoring have real-time alerts to assist staff in identifying unanticipated trading activities undertaken by means of an algorithm, and have a process in place to take remedial action as soon as possible after an alert has been generated, including, where necessary, an orderly withdrawal from the market;
- (n) establish and continuously operate post-trade controls, and when triggered, undertake appropriate action, which may include adjusting or shutting down the relevant trading algorithm or trading system or an orderly withdrawal from the market; and
- (o) implement an IT strategy with defined objectives and measures and set up and maintain appropriate arrangements for physical and electronic security that minimise the risks of attacks against its information systems and that includes effective identity and access management.

A.11A.3 The Exchange may set additional conditions or standards and publish guidance from time to time on what arrangements, systems and controls it considers appropriate in the context of this Rule A.11A.
