

## Circular 26/153

### Introduction of additional cleared ICE Futures Europe Futures Contracts

#### Category

Trading

#### Attachments

Attachment 1: Rules Section TTT Part II A (relevant contracts only)

Attachment 2: Rules Section TTT Part II C (relevant contracts only)

The purpose of this Circular is to notify Members and their customers of the launch by ICE Futures Europe ("IFEU" or the "Exchange") of two Crude Oil Futures and two Fuel Oil Futures (the "Contracts"), subject to satisfactory conclusion of applicable regulatory processes, for a first trade date of **Monday 26 October 2026**.

The additional contracts are detailed in the following table:

| Physical Code | Contract name                                                                                                      | Rule Section TTT Part II | Block Trade Minimum Threshold (Lots) |
|---------------|--------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------------------|
| BN2           | Crude Outright - Brent Second Month Bullet Future                                                                  | A                        | 10                                   |
| HOR           | Crude Outright - Midland WTI (HOU) TAS+ Future                                                                     | A                        | 10                                   |
| FOZ           | Fuel Oil Outright - Fuel Oil 3.5% CIF Med Cargoes (Platts) Balmo Mini Future                                       | A                        | 5                                    |
| FQS           | Fuel Oil Diff - Fuel Oil 3.5% CIF Med Cargoes (Platts) vs Fuel Oil 3.5% FOB Med Cargoes (Platts) Balmo Mini Future | C                        | 5                                    |

Further details of the Contracts, including settlement mechanisms and listed contract periods can be found in the Attachments to this Circular.

The Contracts will be admitted to trading on the Exchange and cleared by ICE Clear Europe who will act as central counterparty to all trades.

#### Block Trades

The minimum volume threshold for Block Trades for the Contracts described herein is displayed in the table above. [Appendix A](#) of the IFEU Block Trade and Asset Allocation Policy will be updated accordingly.

#### Fees

The Exchange and Clearing Fees for these Contracts will shortly be made available [here](#).

#### Screen Access

Participants permissioned for the relevant Market Type will automatically be permissioned for the equivalent contract type listed in this Circular.

#### Rules and Administrative Procedures

General Contract Terms defined in Section TTT – Part I are applicable to the Futures contracts set out in the Attachments.

**The Exchange invites comments on the changes outlined to the Exchange Regulations. Comments should be addressed to [jean-luc.amos@ice.com](mailto:jean-luc.amos@ice.com) within fourteen days of the date of this Circular. Unless the Exchange**
