1 Denotes market data fee for this specific market is waived
Effective January 1, 2022 — Excel Export: An additional $100 a month is applied to each S2F market group minimum commission fee where the user has enabled S2F Excel permissions.

- ICE S2F user accesses, including Users and SuperUsers, Risk Managers and View Onlys, will be charged a monthly minimum commission fee or non-trade fee, per exchange group access, per month. An individual User or SuperUsers ICE S2F traded commissions will be netted against his or her individual monthly minimum commission for that S2F exchange group.
- ICE S2F user accesses, including Users, Superusers, Risk Managers and View Only’s, will be charged a monthly minimum commission or non-trade fee for access to ICE Oil, Wet Freight, Dry Freight and Ferrous Metals. Both screen-traded and block commissions will count towards the minimum commissions for this group of markets only, block commission will have a maximum threshold of $150 towards the minimum commission.

Access to multiple companies, under a single ICE ID, will incur charges at each company the ID accesses. All charges will also attract any applicable taxes. Reports Only and Accounting users, which do not have access to real-time markets, and IDs with masked market data, are provided at no cost. Please be reminded that ICE S2F User accesses are only available on a “1 user to 1 ID basis”, multiple users are not permitted under a single FIX ID.

NGX

NGX users, including Users, SuperUsers, Risk Managers and View Only’s will be charged a monthly market data exchange fee of $675 per ID per month. NGX Contracting Parties will not be assessed this fee, but will now have a new $125/user fee for data (invoiced with all their trading and clearing fees by NGX).

Subscribers to NGX via WebICE will also be entitled to receive access to NGX’s Viewing Service.

Access to multiple companies, under a single ICE ID, will incur charges at each company the ID accesses unless the company is an NGX contracting party. All charges will also attract any applicable taxes. Reports Only and Accounting users, which do not have access to real-time markets, and IDs with masked market data, are provided at no cost.

Direct Access, Quote Vendor & ISV Users

ICE Data Services will require that all firms with access to pricing data over iMpact price servers submit a monthly declaration quantifying all end users. Failure to report monthly access declarations will result in a delinquent reporting fee of $5,000 after the third delinquent month and may result in ICE restricting future access to market data.

Invoicing

Invoices are issued for all of the above services on 30 day payment terms. ICE Administrators and/or Accounting users are responsible for downloading monthly invoices from the invoice portal, accessible via the ice.com. If you need a login with this access, please contact ICE User Administration.
