Exchange Access and Data Fees

All fees listed in this schedule are denominated in U.S. dollars (USD) are subject to applicable taxes.

Note to ICE Administrators:

- Please ensure that the fee structure outlined below is clearly communicated to all end users at your company upon issuance of their login credentials for the ICE Trading platform.
- ICE ID user types with access to the trading platform - including *User*, *SuperUser*, *RiskManager*, and *ViewOnly* - are subject to a monthly market data exchange fee. This fee is assessed per exchange group, per user ID, per month.
- If a single ICE ID is assigned to multiple company accounts ("Comp IDs"), charges will be applied separately for each company account.
- User types with *Reports Only* access, which do not have access to real-time market data, are provided at no cost. Likewise, ICE IDs with masked market data will be waived of the relevant monthly market data exchange fees.

Market Data Reporting - all subscribing companies with access to pricing data over iMPact price servers must submit a monthly declaration quantifying all end users. Failure to report monthly access declarations will result in a delinquent reporting fee of \$5,000 after the third month and may result in ICE restricting future access to market data.

Invoicing

Invoices are issued for all the above services on 30-day payment terms. ICE Administrators and/or accounting users are responsible for downloading monthly invoices from the invoice portal, accessible via the ice.com. If you need a login with this access, please contact ICE User Administration at iceruseradministration@ice.com.
