(EXCHANGE CONTRACT NO. 98)****INTRODUCTION OF ADDITIONAL ANNUAL DELIVERY MONTHS EXTENDING THE
MATURITY CYCLE FROM FIVE YEARS TO SEVEN YEARS****Executive Summary**

This Notice informs Members of the introduction of additional annual delivery months of the FTSE 100 Dividend Index Futures Contract, which will be available on LIFFE CONNECT[®] and Bclear.

1. The Exchange has determined to introduce two additional delivery months for the FTSE 100 Dividend Index Futures Contract ("the Contract") on and from Monday 16 November 2009. Given that only December delivery months are made available for the Contract, this will extend the total number of delivery months out to seven years i.e. Dec 2009, 2010, 2011, 2012, 2013, 2014 and 2015. The December 2016 delivery month will be made available following the expiry of the December 2009 Contract.
2. Trading in the additional delivery months will be supported by the current Primary Market Makers ("PMMs") in the Contract, pursuant to the market obligations detailed in London Notice No. 3185.
3. Members are advised that one PMM position remains available and the Exchange will therefore consider applications from prospective PMMs, which must include obligations in respect of all seven annual delivery months, for the remainder of the duration of the Scheme. Any Members wishing to apply for PMM status should refer to London Info-Flash No. LO09/14.
4. Updates to the PMM Scheme will be reflected on the NYSE Euronext website (www.nyx.com/liffe) in due course.
5. Members are reminded that U.S. Persons are not permitted to engage in transactions in the FTSE 100 Dividend Index Futures Contracts, pending approval by the relevant U.S. regulatory authorities. The Exchange will advise Members in due course if and when such approval is granted.
