As used in this section:

Definitions. As used in this Rule 6.01 the term "Emergency" means any occurrence or circumstance which, in the opinion of the Board, requires immediate action and threatens or may threaten such things as the fair and orderly trading in, or the liquidation of or delivery pursuant to, any agreements, Commodity Contracts, or Transactions on the Exchange, including any manipulative or attempted manipulative activity; any actual, attempted, or threatened corner, squeeze, congestion, or undue concentration of Positions; any circumstances which may materially affect the performance of agreements, Commodity Contracts or Transactions traded on the Exchange, including failure of the payment system or the bankruptcy or insolvency of any Member; any geopolitical event or action taken by any governmental body, or any other board of trade, market or facility which may have a direct impact on trading on the Exchange and any other circumstance which may have a severe, adverse effect upon the functioning of the Exchange.

(b) **Governing Body.** Emergency Action may be taken by the affirmative vote of not less than two-thirds of the members of the Board present and voting at a meeting at which there is physically in attendance a quorum. In the event a quorum of the Board is not available, all trading on the Exchange may be suspended by action of one (1) member of the Board if only one (1) member is present, for such period of time as in the judgment of such member is necessary. Any action so taken by one (1) member of the Board shall be subject to review and modification by the Board. A member of the Board shall be deemed physically in attendance at a meeting if such a Person participates in the meeting in person or remotely by means of electronic communication.

(c) **Emergency Actions.** In the event of an Emergency, the Exchange may, subject to Part 40 of the Regulations under the Act, place into immediate effect a rule which may provide for, or may authorize the Exchange, or the Board or any committee, to undertake actions which, in the opinion of the Board are necessary or appropriate to meet the Emergency, including, but not limited to, such actions as:

- (i) Imposing limits or restrictions on position size, limiting trading to liquidation only, in whole or in part, or limiting trading to liquidation only except for new sales or grants of Commodity Contracts by parties who have the Commodity underlying such contracts;
- (ii) Extending or shortening the expiration date for trading in Commodity Contracts;
- (iii) Extending the time of delivery under or expiration of Commodity Contracts;
- (iv) Changing delivery points and/or the means of delivery;
- (v) Ordering the liquidation, or transfer of open Commodity Contracts, the fixing of a Settlement Price or Settlement Premium, or the reduction in positions;
- (vi) Ordering the transfer of Commodity Contracts, and the money, securities, and property securing such contracts, held on behalf of Customers by a Member to another Member or other Members, willing to assume such contracts or obligated to do so;
- (vii) Extending, limiting or changing hours of trading;
- (viii) Modifying price limits or circuit breakers;
- (ix) Suspending or curtailing trading;

(x) Changing the amount of money to be paid, or the quality of merchandise to be received, under Exchange Futures Contracts, whether theretofore or thereafter entered into or otherwise altering delivery terms or conditions;

(xi) Requiring additional Margin to be collected from Customers or Members; and

(xii) Modifying or suspending any provision of the Rules.

Whenever any action is taken under this Rule pursuant to which trading is suspended or other changes in procedure are made, all matters relating to notices, deliveries and other obligations may be suspended or deferred in such manner as the governing body may determine.

Rule 6.02. Physical Emergencies

(a) In the event the physical functions of the Exchange are, or are threatened to be, severely and adversely affected by a "Physical Emergency", such as fire or other casualty, bomb threat, substantial inclement weather, power failure, communication or transportation breakdown, computer malfunction, screen-based trading system break-down, backlog or delay in clearing or in the processing of data related to clearing Trades, or other similar events, the President, or in his absence any Senior Vice President or in all of their absences any other officer may take any action which, in the opinion of such officer is necessary or appropriate to deal with the Physical Emergency, including, but not limited to, suspending trading in any one (1) or more Commodity Contracts, delaying the opening of trading in any one (1) or more Commodity Contracts, extending the Last Trading Day and/or the time of trading, *provided, however*, that in the event of a computer malfunction or screen-based trading system disruption, the Chief Operating Officer of ICE, or his delegee, may also take any action which, in the opinion of such person is necessary or appropriate to deal with the computer malfunction or screen-based trading system disruption in accordance with Exchange procedures relating to such malfunctions and business disruptions.

(b) In the event the President or other officer has ordered suspension of trading, the President, or in his absence any Senior Vice President, or in all of their absences any other officer may order restoration of trading on the Exchange, or may remove other restrictions so imposed, if such officer determines that the Physical Emergency has sufficiently abated to permit the physical functions of the Exchange to continue in an orderly manner; *provided, however*, that the Chief Operating Officer of ICE, or a delegee of such officer, may discontinue any action taken under paragraph (a) of this Rule by such officer or delegee upon determining that the malfunction or disruption to which the action was a response has been abated.

Rule 6.03. Settlement Price Determination in Physical Emergencies

When a Physical Emergency is declared in accordance with Rule 6.02, the following shall apply with respect to determining the Settlement Price:

(a) Daily Settlement Price of Exchange Futures Contracts

If trading of an Exchange Futures Contract is suspended during the time period when the daily Settlement Price is to be determined, the daily Settlement Price will be determined in accordance with Rule 4.34(b)(i) through (b)(iv). In the event that the weighted average of traded prices are used pursuant to Rule 4.34(b)(i) and (ii), the Exchange shall, unless it announces otherwise, use the weighted average of prices from the last one (1), two (2), five (5) or fifteen (15) minute period depending on the convention specified in Rule 4.25(b) for the contract, which occurs: (i)

immediately prior to the suspension of trading, if trading does not resume during the trading session, and (ii) immediately prior to the end of the session, if trading resumes during the session.

(b) Daily Settlement Price of Exchange Options Contracts

If trading of an Exchange Option Contract is suspended during the period when the daily Settlement Price is to be determined, the daily Settlement Price will be determined using the Settlement Price of the corresponding Exchange Futures Contract and standard option valuation models, unless otherwise announced by the Exchange.

(c) If a Physical Emergency occurs prior to the end of trading for an expiring Exchange Contract on the Last Trading Day.

(i) with respect to any Exchange Financial, Index, and all cash-settled futures contracts, if trading does not resume, the expiration process shall proceed in accordance with the Rules.

(ii) with respect to physically settled Exchange agricultural, environmental, gold and silver futures contracts, if trading in the expiring futures contract does not resume with more than two (2) hours remaining before the time specified in Rule 4.25:

(A) Settlement Prices for the trading day will be calculated in accordance with subparagraph (a) of this Rule, and

(B) trading in the expiring futures contract may be conducted during a special session to be held as determined by the Exchange. Settlement Prices for such special trading session will be calculated using the last one (1), two (2) or fifteen (15) minutes of trading depending on the convention for the expiring futures contract specified in Rule 4.25(b). The Settlement Price for such special session will be determined in accordance with the procedures set forth in Rule 4.34(b)(i) through (b)(iv).

(iii) with respect to all Options Contracts, if trading does not resume prior to the normal closing time for the Options Contract, the Options Contract will expire in accordance with the Rules.

Rule 6.04. Reserved

CONFLICTS OF INTEREST

Rule 6.05. Conflicts of Interest Involving Named Parties in Interest

(a) *Definitions.* For purposes of this Rule the following definitions shall apply:

(i) The term "Family Relationship" shall mean the Person's spouse, former spouse, parent, stepparent, child, stepchild, sibling, stepbrother, stepsister, grandparent, grandchild, uncle, aunt, nephew, niece or in-law.

(ii) The term "Named Party in Interest" shall mean a Person or entity that is identified by name as a subject of any matter being considered by the Board or a committee.

(b) *Prohibition.* No member of the Board or of any committee which has authority to take action for and in the name of the Exchange (not including any committee which is only authorized to make recommendations for action by the Board or some other committee) shall knowingly participate in such body's deliberations or voting in any matter involving a Named Party in Interest where such member (i) is a Named Party in Interest, (ii) is an employer, employee or fellow employee of a Named Party in Interest, (iii) is associated with a Named Party in Interest through a Broker Association, (iv) has a family relationship with a Named Party in Interest or (v) has any other significant, ongoing business relationship with a Named Party in Interest, excluding relationships limited to executing futures or option transactions opposite each other or to clearing futures or options transactions through the same Clearing Member. For purposes of clause (v) of the preceding sentence, a member of the Board or any such committee shall not automatically be deemed to have a 'significant, ongoing business relationship' with a Licensee or applicant for license as a Warehouse Operator solely because the member or any Affiliated Firm of the member stores a commodity in facilities maintained by such Licensee or applicant.

(c) *Disclosure.* Prior to consideration of any matter involving a Named Party in Interest, each member of the deliberating body shall disclose to the President, or his designee, whether such member has one (1) of the relationships listed in paragraph (b) of this Rule with a Named Party in Interest.

(d) *Procedure and Determination.* Exchange staff shall determine whether any member of the deliberating body is subject to a conflict restriction under this paragraph (d). Such determination shall be based upon a review of the following information:

- (i) information provided by the member pursuant to paragraph (b), above, and
- (ii) any other source of information that is maintained by and reasonably available to the Exchange.

Amended by the Board September 20, 2012; effective October 22, 2012 [¶ (b)].

Rule 6.06. Conflicts of Interest Involving Emergency and Other Significant Actions

(a) *Definitions.* For purposes of this Rule, the following definitions shall apply;

(i) The term "Emergency" shall have the meaning set forth in Rule 6.01.

(b) Whenever any Emergency or other significant action which, in the judgment of the deliberating body, is likely to have a material effect upon the price of any Commodity Contracts traded on or subject to the Rules or might otherwise have a material impact on the market for such Commodity Contracts is being considered by the Board or any committee which has authority to take action for and in the name of the Exchange (not including any committee which is only authorized to make recommendations for action by the Board or some other committee), the following procedures shall apply:

(i) *Disclosure.* Prior to consideration of the matter, each member of the Board or committee who desires to participate in deliberations or voting on such action shall

disclose to the Board or committee position information that is known to such member, with respect to any particular month or months that are under consideration, and any other positions which the Board or committee reasonably expects could be affected by the action under consideration. The size of positions shall be disclosed by reference to ranges as determined by the Board or committee and shall be made with respect to the following categories:

(A) gross positions in Commodity Contracts carried in (1) accounts in which the member's ownership interest is 10% or greater, (2) "controlled accounts" as defined in CFTC Regulation 1.3(j) and (3) accounts of any individual with whom the member has a "Family Relationship" as such term is defined in Rule 6.05;

(B) gross positions in Commodity Contracts carried in proprietary accounts, as defined in CFTC Regulation 1.3(y), at any Affiliated Firm of such member;

(C) net positions in Commodity Contracts in "Customer" accounts, as defined in CFTC Regulation 1.17(b)(2), at any Affiliated Firm of such member; and

(D) any other types of positions, whether maintained in Commodity Contracts or otherwise, that the Board or committee reasonably expects could be affected by the action being considered.

To the extent that a member desires to make the required disclosures but does not know position information with respect to any of the foregoing categories, the President or his designee shall make the disclosure for such member to the extent that such information can be obtained from data and clearing records readily available to the Exchange under the exigency of the action being contemplated.

(ii) Disqualification. Any member who does not want to make position disclosures must withdraw from the meeting before disclosure by other members begins and may not participate in the discussion of, or voting on, the matter under consideration. Any member who has, or whose Affiliated Firm has, a position required to be disclosed under paragraph (b)(i) (other than a position which the Board or committee has determined to be *de minimus*), shall be disqualified from voting and must withdraw from the room before a vote is taken. If such withdrawal results in the lack of a quorum, the Board or committee shall appoint an *ad hoc* committee comprised of those members who are not disqualified from voting and shall delegate to such *ad hoc* committee all the powers of the Board or relevant committee with respect to the matter under consideration. No member shall be disqualified from voting upon the appointment of an *ad hoc* committee solely because of positions held by such member or an Affiliated Firm of such member.

(iii) Documentation. The minutes of any meeting at which Emergency or other significant action is considered shall reflect the following information:

(A) the names of all members who attended the meeting in person or by electronic means;

(B) the name of any member who voluntarily recused himself or was required to abstain from deliberations or voting; and

(C) information on the position disclosures made by each member.

(iv) For purposes of this Rule, a Margin change shall not be deemed to have a material effect upon the price of a Commodity Contract traded on the Exchange or a material impact on the market, if such Margin change was made in response to a change in the price of any delivery month of such Commodity Contract which is equal to or less than 15% of the Settlement Price of such delivery month on the previous Business Day.

(a) For purposes of this rule:

(i) The term "Carrying Clearing Member" shall mean a Clearing Member which carries an account for Customers of a debtor on an omnibus basis.

(ii) The term "Customer" shall mean any Person for whom a Member carries an Exchange Futures Contract.

(iii) The term "Debtor" shall mean any Member with respect to which an order for relief is entered under the Bankruptcy Code.

(iv) The term "Notice of Delivery" shall include a transferable notice in the case of Cocoa, Coffee, Cotton or FCOJ and a "Memo of Deliverer" in the case of Sugar.

(v) The term "Order for Relief" means the filing of a petition in bankruptcy in a voluntary case and the adjudication of bankruptcy in an involuntary case.

(vi) The term "Tender" with respect to a Notice of Delivery shall mean:

(A) in the case of a Customer who is short, the presentation of such notice by a Clearing Member on behalf of such Customer to the Clearing Organization and the assignment of such notice (or, in the case of Sugar, the issuance of a Multiple Delivery Notice including Sugar covered by such notice) by the Clearing Organization to a long Clearing Member; and

(B) in the case of a Customer who is long, the acceptance by a Debtor of such notice (or, in the case of Sugar, of a Multiple Delivery Notice including Sugar covered by such notice) from the Clearing Organization or a Carrying Clearing Member, unless such notice is transferred within the time permitted under the Rules or the Clearing Organization Rules, and the allocation of such notice to such Customer by the Debtor.

(b) This Rule shall apply only in the event and under the circumstances set forth in paragraph (c) hereof, and only in the event that the opposite Clearing Member referred to in said paragraph (c) is not itself a Debtor.

(c) Any provision of the Rules or the Clearing Organization Rules to the contrary notwithstanding, in the event that any Member becomes a Debtor, and that at that time such Member carries for a Customer any Exchange Futures Contract in the current delivery month with respect to which the underlying physical commodity has not become a part of the Debtor's estate on the date of the entry of the Order for Relief, and with respect to which:

- (i) Trading has ceased on the date of the entry of the Order for Relief; or
- (ii) Notice of Delivery has been tendered on or before the date of the entry of the Order for Relief; or
- (iii) Trading ceases before such Exchange Futures Contract can be liquidated by the trustee of the Debtor's estate;

then, any Customer for whose account such Debtor is holding any such Exchange Futures Contract, and for whom or to whom a Notice of Delivery has been tendered, shall make delivery of and receive payment for, or receive delivery of and make payment for, the physical commodity as required to fulfill such contract as follows:

(A) If the Debtor is a Clearing Member, directly with any opposite Clearing Member that tendered a Notice of Delivery that has been allocated by the Debtor to such Customer, or any opposite Clearing Member to which any Notice of Delivery issued by or on behalf of such Customer has been tendered, and such opposite Clearing Member shall receive delivery of and make payment for, or make delivery of and receive payment for, such commodity in accordance with the Rules and Clearing Organization Rules;

(B) If the Debtor is not a Clearing Member, through the Carrying Clearing Member that carried the Customer's account as part of an omnibus account for the Debtor, in accordance with the provisions of paragraph (d);

provided, however, that in lieu of making and taking delivery any such Customer and any such opposite Clearing Member may settle any such contract in any manner permitted under the Rules and Clearing Organization Rules.

(d) Each Customer of a Debtor that is not a Clearing Member, who seeks to make or take delivery under any Exchange Futures Contract pursuant to this Rule, shall deliver written notification to the Carrying Clearing Member of the Debtor not later than noon on the second (2nd) Business Day following the date of the entry of the Order for Relief with respect to such Debtor advising such Carrying Clearing Member that such Customer is seeking to make or take delivery pursuant to this Rule. Upon the delivery of such notification, such Customer shall assume all of the obligations of the Debtor to the Carrying Clearing Member and the opposite Clearing Member with respect to such Exchange Futures Contract, and:

(i) if such Customer is seeking to make delivery in fulfillment of such Exchange Futures Contract, such notification shall be accompanied by:

(A) proof (satisfactory to the Carrying Clearing Member in its absolute discretion) that a Notice of Delivery has been tendered on behalf of such Customer; and

(B) such EWRs, warehouse receipts, shipping or other certificates, instruments and documents as are required pursuant to the Rules and the Clearing Organization Rules to make delivery in fulfillment of such Exchange Futures Contract (in the case of Cocoa, Coffee, Cotton or FCOJ), or proof (satisfactory to the Carrying Clearing Member in its absolute discretion) of the Customer's capability to make delivery in accordance with the Rules and the Clearing Organization Rules (in the case of Sugar or Ethanol).

(ii) if such Customer is seeking to take delivery in fulfillment of such Exchange Futures Contract, such notification shall be accompanied by:

(A) a copy of the Notice of Delivery (in the case of Cocoa, Coffee, Cotton or FCOJ) or Multiple Delivery Notice (in the case of Sugar or Ethanol) which had been accepted by the Debtor and allocated (in whole or in part) by the Debtor to the Customer, together with proof (satisfactory to the Carrying Clearing Member in its absolute discretion) of such allocation; and

(B) the Customer's Official Teller's check issued by a New York bank and made payable to the order of the Carrying Clearing Member in an amount equal to 102% of the full amount payable on the delivery of a commodity in the case of Coffee, Ethanol and Sugar, 101% of the full amount payable on delivery of the commodity in the case of Cocoa and 100% of the full amount payable on delivery of the commodity in the case of Cotton and FCOJ, in each case subject to final adjustment based on the quantity and quality of the commodity actually delivered.

(iii) The Carrying Clearing Member, as a condition to permitting the Customer to make or take delivery pursuant to this Rule, may require such Customer to execute and deliver to the Carrying Clearing Member a customer agreement and such other new account forms as such Carrying Clearing Member normally requires from its Customers.

(iv) If a Customer has fully complied with the provisions of this paragraph (d), the Carrying Clearing Member, on behalf of the Customer, shall consummate the delivery.

(v) If, prior to the time when delivery is required to be consummated pursuant to the Rules and the Clearing Organization Rules, the Customer does not notify the Carrying Clearing Member as required in subparagraph (i), or if the Customer fails or refuses timely to comply with the provisions of this paragraph (d), the Carrying Clearing Member shall have no further obligation or liability to such Customer or the Debtor in connection with such delivery.

(e) The making or taking of delivery or payment with respect to any Exchange Futures Contract in accordance with paragraph (c) or (d) shall discharge in full the obligations of such Customer and such opposite Clearing Member to the Debtor with respect thereto, but shall not discharge the Debtor from any of its obligations with respect to such Exchange Futures Contract except to the extent that such delivery or payment is made.

(f) Nothing contained in this Rule shall relieve any Customer of its obligation to make or take delivery under any Exchange Futures Contract for the sole reason that delivery must be made to or taken from a commodity broker which is a Debtor.

6.51 PRIIPs Restrictions

- (a) Effective January 1, 2018, no Person shall advise on, offer, sell, distribute or otherwise make available any Commodity Contract to, or clear any Commodity Contracts on behalf of, any EEA Retail Investor, unless:
 - (i) *for Commodity Contracts offered to EEA Retail Investors in EEA Member States where English is an official language or where the Exchange has produced a translated KID in an official language of that EEA Member State:* the KID has been timely provided to the EEA Retail Investor by such Person or other intermediary in accordance with the PRIIPs Regulation before such EEA Retail Investor is bound by any contract or offer relating to a Commodity Contract; or
 - (ii) *for Commodity Contracts offered to EEA Retail Investors in any other EEA Member States:* a key information document (which may be faithfully and accurately translated from the KID or otherwise produced in an official language of the EEA Member State in which the EEA Retail Investor is located) has been timely provided to such EEA Retail Investor by such Person or other intermediary in accordance with the PRIIPs Regulation before the EEA Retail Investor is bound by any contract or offer relating to a Commodity Contract.
- (b) Persons whose clients offer Commodity Contracts to EEA Retail Investors must provide written notification to such clients of the restrictions in this Rule regarding dealings with EEA Retail Investors.

- (c) The Exchange will only produce and publish English language KIDs and translated KIDs in such other languages determined by the Exchange at its sole discretion from time to time (“Specified Languages”). As a result:
- (i) the Exchange will not be responsible for producing, publishing or providing EEA Retail Investors with KIDs in any other official language of an EEA Member State in which an EEA Retail Investor is located nor for ensuring that any applicable requirements under the PRIIPs Regulation have been satisfied for any local language key information document produced by any other Persons; and
 - (ii) the Exchange is not a ‘manufacturer’ of any Commodity Contract for purposes of the PRIIPs Regulation with respect to any offer to any EEA Member State other than those in which English is an official language or otherwise where a translated KID in a Specified Language is published on its website; and accordingly, any Person offering such products in such EEA Member State will itself be the ‘manufacturer’ for purposes of the PRIIPs Regulation, since Commodity Contracts for which no such translation is provided are not intended by the Exchange for distribution to EEA Retail Investors in such EEA Member States;
 - (iii) any Person which produces and makes available to EEA Retail Investors any local language key information documents for Commodity Contracts in any language or format that has not been produced and published by the Exchange agrees to indemnify the Exchange for any losses or liabilities suffered by the Exchange as a result of such Person publishing and making available to such EEA Retail Investors such key information documents which are misleading or inaccurate or are inconsistent with: (A) the English language KID produced by the Exchange for that Commodity Contract (or any revised versions of the same); (B) the relevant parts of any legally binding pre-contractual and contractual documents; or (C) the requirements of Article 8 of the PRIIPs Regulation.
- (d) To the extent permitted under the PRIIPs Regulation, the Exchange undertakes no duty of care for the contents of any KIDs and makes no warranty, representation or undertaking as to the accuracy of any KID. The Exchange has not considered the specific circumstances of any EEA Retail Investor or any other Person. Persons offering Commodity Contracts are responsible for verifying whether the KIDs produced by the Exchange are sufficient for their purposes or their clients' purposes, for adding any further disclosures as may be required for their clients and for assessing the appropriateness for their clients of any Commodity Contracts.
- (e) In this Rule, the following words and expressions shall, unless the context otherwise requires, have the following meanings:

"EEA Retail Investor" means a retail investor as defined in Article 4(6) of the PRIIPs Regulation who is located in a Member State of the European Economic Area.

“KID” means the key information document drafted by the Exchange (including any non-English language translated version

produced by the Exchange at its discretion) and published on its website (including any revised versions produced by the Exchange from time to time) for a Commodity Contract for purposes of facilitating compliance with the PRIIPs Regulation. The KIDs (and any revised versions) published by the Exchange can be found on the Exchange's website.

"PRIIPs Regulation"

means Regulation (EU) No 1286/2014 of the European Parliament and of the Council of 26 November 2014 on key information documents for packaged retail and insurance-based investment products (PRIIPs), as amended from time to time, together with any regulatory technical standards adopted by the European Commission pursuant thereto from time to time.
