- (b) Following receipt of an Answer from a Respondent, or failure of a Respondent to provide an Answer, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such Respondent. Parties to a disciplinary proceeding include each Respondent and the compliance department.
- (c) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and evidentiary matters and will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials.

# Rule 807. Respondent Review of Evidence.

Prior to the commencement of a hearing, each Respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of ICE Swap Trade that the compliance department will use to support the allegations and proposed sanctions in the Notice of Charges or which the chair of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no Respondent will have the right to review, and ICE Swap Trade will have no obligation to disclose, any information deemed privileged or protected by attorney-client privilege.

# Rule 808. Conducting Hearings.

- (a) At a hearing conducted in connection with any disciplinary proceedings, the compliance department will present its case supporting the allegations and proposed sanctions in the Notice of Charges to the Disciplinary Panel. If a Respondent has timely filed an Answer to the Notice of Charges in accordance with the Rules, the Respondent is entitled to attend and participate in the hearing.
- (b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the compliance department and each Respondent may:
  - (i) present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;
  - (ii) call and examine witnesses; and

- (iii) cross-examine witnesses called by other parties.
- (c) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. Any individual representing a Participant or Customer, and any Authorized Trader or Supervised Person called as witnesses is required to appear at the hearing and, where applicable, produce evidence. ICE Swap Trade will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.
- (d) The Disciplinary Panel may summarily impose sanctions on any Person, subject to ICE Swap Trade's jurisdiction pursuant to Rule 300, that impedes or delays the progress of a hearing.
- (e) ICE Swap Trade will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the Respondent requests a copy of all or portions of the recording of a hearing, the chair of the Disciplinary Panel may within his or her sole discretion require the Respondent to pay the costs for transcribing the recording of the hearing.
- (f) Upon request of the SEC, ICE Swap Trade will transcribe the record of any hearing conducted in connection with a disciplinary proceeding and provide such transcript to the SEC.

# Rule 809. Decision of Disciplinary Panel.

- (a) As promptly as is reasonable following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings ("**Disciplinary Orde**r"). A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.
- (b) ICE Swap Trade will serve a copy of the Disciplinary Order on the Respondent and provide a copy to the ICE Swap Trade compliance department. The Disciplinary Order will include:
  - (i) the Notice of Charges or summary of the allegations;
  - (ii) the Answer, if any, or a summary of the Answer;
  - (iii) a summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigative report;

- (iv) findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;
- (v) each specific Rule and/or provision of Applicable Law that the Respondent is found to have violated; and
- (vi) the sanctions, if any, imposed including the basis for such sanctions and the effective date of each sanction.
- (c) The Disciplinary Order will become final upon the expiration of 20 days after the Disciplinary Order is served on the Respondent.
- (d) To the extent that the Disciplinary Panel determines the Respondent has committed a Rule violation involving the execution of, or failure to execute, a Customer Transaction which results in financial harm to such Customer, ICE Swap Trade shall promptly inform the Respondent of such finding in the Disciplinary Order. Upon effectiveness of the Disciplinary Order as provided in Rule 809(c) above, the Respondent shall promptly provide written notice to the affected Customer, as disclosed on the Respondent's books and records, of such finding with sufficient detail that includes the principal facts of the disciplinary action and a statement that ICE Swap Trade has found the Respondent has committed a Rule violation that involved a transaction for the Customer, whether executed or not, that resulted in financial harm to the Customer.
- (e) The Rules do not permit any appeal of a determination by the Disciplinary Panel.

# Rule 810. Sanctions; Expenses.

- (a) If the Disciplinary Panel determines that a Respondent has committed a Violation for which the SBSEF has jurisdiction, the Disciplinary Panel may impose one or more of the following sanctions or remedies:
  - (i) censure or reprimand, restriction, suspension or termination of Trading Privileges, a warning letter, subject to the limitations in Applicable SEC Regulations, a ceaseand-desist order, a fine, restitution (which may, include full customer restitution) or disgorgement, or any other sanction or remedy determined to be appropriate under the circumstances.
  - (ii) ICE Swap Trade may impose a fine of up to \$100,000 for each Violation. Each Participant shall be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders, Customers or Supervised Persons.
- (b) If the Disciplinary Panel determines that a Respondent has violated the Rules or a provision of Applicable Law for which the ICE Swap Trade has jurisdiction, the Disciplinary

Panel may also require the Respondent to pay to ICE Swap Trade an amount equal to any

and all out-of-pocket expenses incurred by ICE Swap Trade in connection with the investigation and prosecution of such Violations.

# Rule 811. Summary Fines.

With respect to any Person's use or access to the SBSEF, the Chief Compliance Officer may impose summary fines of no more than ten thousand dollars (\$10,000) for each Violation, without the need for a formal hearing under this Chapter 8, in any case in which it is concluded that there may have been a Violation of the SBSEF Rules relating to the failure to timely submit accurate records required for clearing or verifying each day's Transactions.

The authority to impose a summary fine does not limit the Chief Compliance Officer's authority to refer the matter to a Disciplinary Panel pursuant to the provisions of this Chapter 8 instead of imposing a summary fine. A summary fine imposed in accordance with this Rule shall become final and effective and payment shall become due and owing to ICE Swap Trade fifteen (15) days after receipt of the fine.

# Rule 812. Effective Date of Penalties.

- (a) If a Person enters into a settlement agreement with ICE Swap Trade, any penalty included as a part of such settlement agreement shall become final and effective on the date that the CCO approves such settlement agreement.
- (b) Any decision (including the imposition of any penalty) by a Disciplinary Panel shall be deemed the Final Disciplinary Action of ICE Swap Trade and shall become effective fifteen (15) days, or such longer time as the Disciplinary Panel may specify, after a copy of the written decision of the Disciplinary Panel has been served on the Respondent; provided, however, that, in any case where the Respondent has consented to the action taken and to the timing of its effectiveness, the Disciplinary Panel may cause the decision involving any disciplinary action (including any penalty) to become effective prior to the fifteen (15) day period.
- (c) If a Person fails to pay any fine imposed by the Disciplinary Panel on or before the date on which such fine becomes due and payable, such Person shall be suspended automatically without further action by ICE Swap Trade and shall remain suspended until such fine is paid in full and the Person is reinstated; provided, however, that on written application received prior to such date, the Hearing Panel, in its sole discretion, may postpone the date when payment is due.

# Rule 813. Publication and Written Notice of Disciplinary Actions.

- (a) A brief summary of the disposition of a finding by the CCO, or the Disciplinary Panel, and each hearing, settlement, and each imposition of any penalty, shall be kept permanently in the Person's file. The record of any hearing, together with all of the papers, shall be retained for a period of five (5) years.
- (b) All proceedings conducted before the Disciplinary Panel shall be confidential and shall not be disclosed to any Person except:
  - (i) as required by law or by the Rules;
  - (ii) in any action or proceeding brought by or against the SBSEF; or
  - (iii) as may be determined from time to time by the Board.
- (c) In any case where:
  - (i) a Person enters into any settlement agreement with the SBSEF;
  - (ii) or the Disciplinary Panel renders a decision finding a Person guilty of any Rule violation;

the SBSEF shall make public its findings and the reason for its action, including any action taken or penalty ordered and written notice of any suspension, expulsion, disciplinary action or denial of access shall be given to the SEC and to the Person who is suspended, expelled, disciplined or denied access within thirty (30) days of the date such action becomes final, which notice shall include the reasons for the action in the form and manner the SEC prescribes.

#### **CHAPTER 9: ARBITRATION**

#### Rule 900. Jurisdiction.

- (a) Any Claim or grievance by a Customer against a Participant shall, if the Customer so elects, be settled by arbitration in accordance with these Arbitration Rules unless the Claim or grievance is capable of being settled by arbitration under the rules of a registered futures association, as defined in the CEA, or a national securities association, as defined in the Exchange Act. If such a Claim or grievance is made in accordance with these Arbitration Rules, any counterclaim permissible under subparagraph (a)(ii) of Rule 903 of these Arbitration Rules shall, if asserted by such Participant, likewise be settled by arbitration in accordance with these Arbitration Rules.
- (b) Any Allowable Claim by a Participant against another Participant, whether originating before or during the period of time that the parties are Participants, shall be settled by arbitration in accordance with these Arbitration Rules unless the claim is capable of being settled by arbitration under the rules of a registered futures association, as defined in the CEA, or a national securities association, as defined in the Exchange Act. If such an Allowable Claim is made in accordance with these Arbitration Rules, any Allowable Claim which may be asserted as a counter-claim under subparagraph (a)(ii) of Rule 903 shall likewise be settled by arbitration in accordance with these Arbitration Rules. Arbitration proceedings invoked pursuant to this paragraph shall be independent of, and shall not interfere with or delay the resolution of, a Customer's Claims and grievances submitted for arbitration pursuant to paragraph (a).
- (c) All other disputes or controversies, regardless of their nature, between or among any two (2) or more parties, shall, if agreed to by all parties involved, be settled by arbitration in accordance with these Arbitration Rules. Arbitration proceedings invoked pursuant to this paragraph shall be independent of, and shall not interfere with or delay the resolution of, a Customer's Claims and grievances submitted for arbitration pursuant to paragraph (a).
- (d) Notwithstanding the foregoing, any Panel or, in the absence of a Panel, any three (3) members of the Arbitration Committee appointed by the Chairman of the Arbitration Committee, in its sole and absolute discretion, may decline to take jurisdiction of, or, having taken jurisdiction may at any time decline to proceed further with, any Claim or grievance or any other dispute, controversy or counterclaim, other than such as may be asserted under paragraph (a) of this Rule.
- (e) The commencement of an arbitration under these Rules by a Customer against a Participant will not in itself preclude a Participant from exercising its rights and remedies under its agreements with a Customer, nor will these Arbitration Rules be deemed to permit a Customer to obtain any stay, injunction or similar relief that would preclude a

Participant from exercising such rights and remedies as a result of the commencement of an arbitration under these Rules.

(f) Except as expressly set forth in this Chapter 9, ICE Swap Trade shall have no responsibility with respect to any Claim or grievance or dispute between or among two or more Participants and/or their Customers, or any action, suit or proceeding arising therefrom or relating thereto.

#### Rule 901. Definitions.

Unless otherwise indicated, the following terms shall, for the purposes of Chapter 9 of the Rules (the "**Arbitration Rules**"), have the following meanings:

## Allowable Claim

A Claim for losses arising directly from or relating to a Transaction. An Allowable Claim shall not include legal or other incidental expenses incurred in connection with any such losses or with the events giving rise to any such losses.

#### **Claim or grievance**

Any dispute which arises out of or relating to Transactions subject to the Rules by or through a Participant, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom ICE Swap Trade does not have jurisdiction or who are otherwise not available. The term "Claim or grievance" shall not include any claim or grievance against ICE Swap Trade or against a Clearing Agency.

#### Claimant

A Person who asserts a Claim pursuant to these Arbitration Rules.

#### Customer

Any Person with a Claim or grievance against a Participant; provided, however, that it shall not include Participants.

## Respondent

A Person against whom a Claim is asserted pursuant to these Arbitration Rules.

## Rule 902. Quorum and Disqualification.

- (a) The Arbitration Committee shall consist of such number of Persons as the Board shall determine from time to time. The President shall appoint Public Directors of the Board as the Chairman and Vice Chairman of the Arbitration Committee and shall appoint employees of Participants and Persons who are not Participants to the Arbitration Committee to serve until new committees are appointed. The President may at any time remove any member of the Arbitration Committee, with or without cause, and all vacancies shall be filled as in the case of an original appointment. A Person shall be disqualified from taking any action as a member of the Arbitration Committee or as an arbitrator prescribed in the Arbitration Rules if such Person or an Affiliate has an interest in the Claim or dispute or is subject to Statutory Disqualification. Any member of the Arbitration Committee may disqualify himself or herself for any reason he or she deems appropriate. Each member of the Arbitration Committee or arbitrator appointed to hear and determine a Claim or grievance shall conduct himself or herself in a manner consistent with the ABA/American Arbitration Association's "Code of Ethics for Arbitrators in Commercial Disputes" and shall disclose to the Chairman of the Arbitration Committee, who shall thereafter advise the parties to the arbitration, at any stage of the arbitration, any past or present, direct or indirect financial, business, professional, family or social relationship which is likely to affect an appearance or which might reasonably create an appearance of partiality or bias.
- (b) If the Chairman of the Arbitration Committee is disqualified or is unavailable, the Vice Chairman of the Arbitration Committee shall act as Chairman. If both the Chairman and the Vice Chairman of the Arbitration Committee are disqualified or are unavailable, the President shall appoint another member of the Arbitration Committee, who is not affiliated with a Participant, to act as Chairman.
- (c) The lesser of a majority or three (3) members of the Arbitration Committee shall constitute a quorum for the transaction of business. Any action taken by a vote of the majority of the Arbitration Committee members present at a meeting at which a quorum is present shall be deemed to be a valid action of the Arbitration Committee.

## Rule 903. Procedure.

- (a) <u>Claims Asserted Pursuant to Rules 900(a) and (b)</u>.
  - (i) A Person desiring to invoke the provisions of this paragraph (a) shall, within two (2) years from the time the Claim or grievance arose, file with ICE Swap Trade a Notice of Arbitration. The Notice of Arbitration shall set forth the name and address of the party or parties against whom the Claim or grievance is being asserted, the nature and substance of the Claim or grievance, the relief requested and the factual and legal basis alleged to underlie such relief. In the event of a

Notice of Arbitration submitted by a Customer, such Notice of Arbitration shall indicate whether the Customer elects to have the Claim or grievance heard and determined by a Mixed Panel, as provided in subparagraph (a)(iii) of this Rule. Failure to so indicate will be deemed a waiver of such election.

The Notice of Arbitration shall be accompanied by the Claimant's non-refundable check payable to ICE Swap Trade in payment of the arbitration fee. The amount of the fee shall be determined by the amount of the relief requested in the Notice of Arbitration, as follows:

| Relief Requested    | Amount of Fee                             |
|---------------------|---|
| Up to \$100,000     | \$1,000                                   |
| \$100,001 and above | \$1,000, plus ½% of excess over \$100,000 |

(ii) Upon receipt, ICE Swap Trade shall promptly deliver a copy of the Notice of Arbitration to each Respondent and to the Chairman of the Arbitration Committee. Each Respondent shall, within twenty (20) days following the delivery of such Notice, file an Answering Statement with ICE Swap Trade, with a copy to the Claimant, setting forth its position with respect to the Claimant's Claim or grievance. Any allegation in the Notice of Arbitration not denied by a Respondent in its Answering Statement shall be deemed admitted.

The Answering Statement may set forth one (1) or more counterclaims against the Claimant, provided that any such counterclaims (A) arise out of the Trade or occurrence that is the subject of the Claimant's claim or grievance and (B) do not require for adjudication the presence of essential witnesses, parties or third (3<sup>rd</sup>) Persons over which ICE Swap Trade does not have jurisdiction. Other counterclaims are permissible only if the Claimant agrees to the submission thereof after such counterclaims have arisen.

If an Answering Statement sets forth one (1) or more counterclaims, the Claimant shall reply to such counterclaims within twenty (20) days following delivery of the Respondent's Answering Statement. The Reply shall be filed with ICE Swap Trade, with a copy to the Respondent involved.

(iii) The Chairman of the Arbitration Committee, promptly after receipt by ICE Swap Trade of the Answering Statement, shall appoint a Panel of disinterested Persons to hear and determine the Claim or grievance, selecting one (1) as the Chairman of the Panel. If the amount of relief requested is more than or equal to \$100,001, the Panel shall be composed of three (3) or more individuals. If the amount of relief requested is less than \$100,001, a sole arbitrator may be appointed by the

Chairman of the Arbitration Committee in accordance with subparagraph (a)(viii) of the Rule. In a case where a Customer has, in its Notice of Arbitration, elected a "Mixed Panel," at least a majority of the Persons selected shall not be Participants, clearing participant or clearing member of a Clearing Agency, or any employee thereof, or otherwise associated with a Clearing Agency. Promptly following such appointment, ICE Swap Trade shall forward copies of the Notice of Arbitration Answering Statement and Reply, if there be one, to the Panel members selected.

- (iv) ICE Swap Trade shall notify the parties of the appointment of the members of the Panel. Any party objecting to all or any members of the Panel shall file such objection with the Chairman of the Arbitration Committee within ten (10) days of the giving of such notice by ICE Swap Trade. The Chairman of the Arbitration Committee shall then determine whether changes in the composition of the Panel are appropriate, and if so, shall make such changes. Any vacancy occurring on the Panel for any reason shall be filled by an individual appointed by the Chairman of the Arbitration Committee. The parties shall be notified of the filling of such vacancy and may file objections to the new appointee to the Panel in accordance with the procedure set forth above.
- (v) The parties shall, within a time specified by the Chairman of the Panel, furnish each other and the Panel with a statement listing the witnesses expected to be called and the documents expected to be introduced into evidence, together with copies of such documents. Unless the Panel waives compliance with this requirement, no witness may testify and no documentary evidence may be introduced at the hearing unless listed in (and, in the case of documents, furnished with) such statement.
- (vi) After the exchange of documents, any party may notify another party and the Chairman of the Panel of any pertinent documents and information it seeks from such other party that were not provided as part of the document exchange. The other party has five (5) days to provide the requested documents or information or object to their production. Any objection to a request for the production of documents or other information shall be resolved by the Chairman of the Panel, or his or her designee.
- (vii) The Panel shall establish, on not less than ten (10) days' written notice to the parties, the date, time and place of the hearing. Each Panel shall determine the procedures to be followed in any hearing before it, including the use of preliminary hearings to resolve discovery disputes, simplify the issues, and expedite the hearings, except that the following shall apply in every case:
  - A. Each of the parties shall be entitled to appear personally at the hearing.

- B. Each of the parties, at their own expense, shall have the right to be represented by counsel in any aspect of the proceeding.
- C. Each of the parties shall be entitled to (1) prepare and present all relevant facts in support of the Claims or grievances, defenses or counterclaims, and to present rebuttal evidence to such Claims or grievances, defenses or counterclaims made by the other parties, (2) examine the other parties, (3) examine any witnesses appearing at the hearing, and (4) examine all relevant documents presented in connection with the Claim or grievance, or any defense or counterclaim applicable thereto.
- D. The formal rules of evidence shall not apply.
- E. No verbatim record shall be made of the proceedings, unless requested by a party who shall bear the cost of such record. If such a request is made, a stenographic transcript shall be taken, but not transcribed unless requested by a party who shall bear the cost of such transcription.
- F. Ex parte contacts by any of the parties with members of the Panel shall not be permitted.
- G. The Panel shall have the power, on the request of any party or on its own motion, to require any Person to testify and/or to produce documentary evidence in the proceedings as and to the extent provided for in Rule 801(d).
- (viii) The Panel shall, within sixty (60) days of the termination of the hearing, render its award in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The Panel, in its award, may grant any remedy or relief which it deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee; provided, however, that any costs incurred as a result of having a Mixed Panel shall be borne by the Participant unless the Panel determines that the Customer acted in bad faith in initiating or conducting the proceeding. The award of the Panel shall be final and binding upon each of the parties to the arbitration, and judgment upon such award may be entered by any court having jurisdiction. Any Participant who is a Respondent in an arbitration conducted pursuant to the Rules shall notify the Legal Department of ICE Swap Trade of any judicial proceeding based on the award. In addition, any award, if not complied with within the time specified in the award, shall be enforceable by disciplinary proceedings pursuant to the Rules.
- (ix) Notwithstanding any other provision of this paragraph (a), including the right of a Customer to elect a Mixed Panel pursuant to Rule 903(a)(iii), if a Notice of Arbitration sets forth Claims or grievances aggregating less than \$100,001, and the

Answering Statement submitted by the Respondent either does not raise counterclaims or raises one (1) or more counterclaims aggregating less than \$100,001, the Chairman of the Arbitration Committee may, at the request of any party or on his or her own motion, in his or her sole and absolute discretion, decide that there shall not be a hearing, in which case the following procedures shall apply:

- A. The Chairman of the Arbitration Committee shall notify both parties that neither the Claims or grievances nor the counterclaims, if any, aggregate to \$100,001.
- B. The Claimant shall, within twenty (20) days of such notification, submit to ICE Swap Trade, with a copy to each of the Respondents, a memorandum (together with such supporting documents, affidavits and other materials as the Claimant deems pertinent) setting forth the bases upon which he or she believes he or she is entitled to the relief requested in the Notice of Arbitration.
- C. Each Respondent shall, within twenty (20) days of its or his or her receipt of the Claimant's memorandum and supporting documentation, submit to ICE Swap Trade, with a copy to the Claimant, a memorandum (together with such supporting documents, affidavits and other materials as the respondent deems pertinent) setting forth the bases upon which he or she believes that the relief requested by the Claimant should be denied and, if said Respondent has raised counterclaims in his or her Answering Statement, the bases upon which he or she believes he or she is entitled to the relief requested by such counterclaims.
- H. The Chairman of the Arbitration Committee may, on the request of any party or on his or her own motion, in his or her sole and absolute discretion determine whether to allow or require the submission of reply or additional papers, unless a Respondent has asserted one (1) or more counterclaims, in which case the Claimant shall be entitled to reply to such counterclaims within ten (10) days of delivery of the Respondent's memorandum setting forth the bases thereof.
- I. The Chairman of the Arbitration Committee or his or her designee, acting as sole arbitrator, shall, within thirty (30) days of his or her receipt of the final papers filed, render an award in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The sole arbitrator in his or her award may grant any remedy or relief which he or she deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee; provided, however, that any costs incurred as a result of a Customer requesting a Mixed Panel shall be borne by the Participant unless

the sole arbitrator determines that the Customer acted in bad faith in initiating or conducting the proceeding. The decision of the sole arbitrator shall be final and binding upon each of the parties to the arbitration, and judgment upon such award may be entered by any court having jurisdiction. In addition, any award, if not complied with within the time specified in the award, shall be enforceable by disciplinary proceedings pursuant to the Rules.

- (x) The failure of any party to an arbitration to comply with any of the requirements of this paragraph (a), or with any demand or request of either the Panel, the sole arbitrator or the Chairman of the Arbitration Committee shall be deemed a Violation and shall, in addition to any other action ICE Swap Trade may take for any such Violation, subject such party to such action by the Panel, the sole arbitrator or the Chairman of the Arbitration Committee (including without limitation the entry of an award against such party) as it or he or she shall deem appropriate under the circumstances.
- (xi) Notwithstanding the provisions of subparagraph (x) of this paragraph (a), either the Panel, the sole arbitrator or the Chairman of the Arbitration Committee, may for good cause shown extend any time limitation imposed by this paragraph (a) (except the two (2) year and the thirty (30) day limitation periods set forth in subparagraph (a)(i)) or may excuse any neglect to comply therewith or with any other requirement of this paragraph (a) or demand or request of the Panel, the sole arbitrator or the Chairman of the Arbitration Committee.

#### (b) <u>Other Claims Asserted Pursuant to Rule 900(c)</u>.

- (i) Any dispute or controversy between or among any two (2) or more parties may, if all of the parties to such dispute or controversy so agree, be settled by arbitration in accordance with this paragraph (b). Such dispute or controversy shall be heard and determined in accordance with the procedures set forth in paragraph (a) of this Rule, except for the following:
  - A. In lieu of the procedure set forth in the first sentence of subparagraph (i) of paragraph (a), the provisions of this paragraph (b) shall be invoked by the submission by all of the parties concerned of an agreement to submit the dispute or controversy to arbitration in accordance with this paragraph (b) and to be bound by the award of the arbitrators. Following such submission, ICE Swap Trade shall forward to the party requesting relief the information set forth in subparagraph (i) of paragraph (a) of this Rule, whereupon all of the other procedures set forth in said subparagraph (i) of paragraph (a) shall apply.
  - B. None of the limitations on counterclaims set forth in subparagraph (ii) of paragraph (a) shall apply.

## Rule 904. Withdrawal of Claims.

Any Notice of Arbitration may be withdrawn at any time before an Answering Statement is filed in accordance with these Rules.

If an Answering Statement has been filed, any withdrawal shall require consent of the party against which the Claim or grievance is asserted.

#### Rule 905. Modification of Award.

On written application to the Legal Department of ICE Swap Trade by a party to an arbitration, within twenty (20) days after delivery of the award to the applicant, the Panel or sole arbitrator may modify the award if:

- (a) there was a miscalculation of figures or a mistake in the description of any Person, thing, or property referred to in the award; or
- (b) the Panel or sole arbitrator has awarded upon a matter not submitted to it and the award may be corrected without affecting the merits of the decision upon the issues submitted; or
- (c) the award is imperfect in a matter of form, not affecting the merits of the controversy.

Written notice of the application shall be given to the other parties to the arbitration. Written objection to the modification must be served on ICE Swap Trade and the other parties to the arbitration within ten (10) days of receipt of the application. The Panel or sole arbitrator shall dispose of any application made under this Rule in writing, signed and acknowledged by the Panel or sole arbitrator, within thirty (30) days after either written objection to the modification has been served on it or the time for serving said objection has expired, whichever is earlier. The parties may in writing extend the time for such disposition either before or after its expiration.

#### Rule 906. Compensation of Arbitrators.

The parties to an arbitration shall pay the arbitrators appointed in each matter compensation in accordance with such fee schedule as the Board may from time to time determine. The arbitrators in each such matters shall determine the proportion in which such compensation shall be paid by each of the parties.

#### Rule 907. Failure to Comply With Award.

(a) Any Participant in whose favor an award has been rendered pursuant to this Chapter shall promptly notify the Legal Department of ICE Swap Trade, in writing, if the award is not complied with. Any Participant, who fails to comply with the terms of an award rendered against such Participant, shall be subject to the procedures set forth in this

Rule. Specifically, upon receipt of a notice or information indicating that a Participant has failed to comply with the terms of an award rendered against such Participant, ICE Swap Trade shall notify such Participant against whom or which the award was rendered of ICE Swap Trade's intention to suspend its privileges as a Participant and afford the Participant an opportunity to be heard by a panel of the Arbitration Committee appointed by the Chairman for the sole purpose of proving that the award has been satisfied, provided that the Legal Department of ICE Swap Trade receives a written request from the Participant for such a hearing within five (5) Business Days after receipt of such notice by the Participant. Failure to so request such a hearing shall be deemed an acknowledgment by the Participant that the award has not been complied with. Any such hearing shall be conducted in accordance with such procedures as the Panel shall determine. The Panel shall consist of no less than three (3) members of the Arbitration Committee. Following any such hearing, the Panel shall determine whether the Participant has failed to timely satisfy the award and shall promptly advise ICE Swap Trade, and all parties in the proceeding, of its determination.

(b) If the Panel shall find, or if a Participant shall acknowledge, that it has failed to comply with any award rendered pursuant to this Chapter when and as provided by such award, the Participant may be suspended, as provided in these Rules, and shall remain suspended until the award is complied with and the suspended Participant is reinstated.

## CHAPTER 10: CLEARING AND FINANCIAL RESPONSIBILITY; REPORTING

## Rule 1001. Designation of Clearing Agency.

As part of the Contract Specifications for each Contract that is eligible to be cleared or required to be cleared, ICE Swap Trade shall designate one or more Clearing Agencies for clearing of such Contract. For the avoidance of doubt, ICE Swap Trade may treat each Contract to be cleared at a different Clearing Agency as being a different Contract for all purposes of the Rules.

#### Rule 1002. Cleared Security-based Swaps.

- (a) Each Cleared SBS (including any Required Transaction) shall be cleared through the Clearing Agency indicated in the applicable Contract Specifications.
- (b) For each Cleared SBS a Participant (or, if applicable, its Customer) expects to enter into on the SBSEF or subject to the Rules, the Participant (or, if applicable, its Customer) must be a Clearing Member of the applicable Clearing Agency or have established a clearing relationship with a Clearing Member of the applicable Clearing Agency.
- (c) Acceptance of Orders for a Cleared SBS will be subject to Rule 518. Following execution of a Transaction in a Cleared SBS, the SBSEF shall submit such Transaction to the applicable Clearing Agency for each Participant (or, if applicable, its Customer) party thereto, as applicable.
- (d) If a Cleared SBS is affirmatively rejected by the relevant Clearing Agency, such Transaction shall be deemed void ab initio. ICE Swap Trade shall have the right to suspend Trading Privileges of the Participant or Participants that executed the Transaction or the account of the Customer on whose behalf the Participant executed the Transaction that was rejected or take any other action permitted by the Rules. The SBSEF will report the cancellation of the Transaction as required by Regulation SBSR.

## Rule 1003. Uncleared Security-based Swaps.

Any Participant (or its Customer, if applicable) that is not a SBSD and is placing an Order with respect to a Contract that is an Uncleared SBS, prior to placing such Order, shall have designated a Swap Intermediary and entered into a Swap Intermediation Arrangement. Such Swap Intermediary shall have entered into a master agreement or other applicable agreement that will govern the related Transaction following execution with the relevant counterparty, and such Participant (or Customer) shall have entered into a Swap Intermediation Arrangement (including a master agreement or other applicable agreement that will govern the related offsetting Transaction between the Participant (or Customer) and the Swap Intermediary). Such
